To tell the truth, the more I read, the more I just come down to the place I. It should be read in conjunction with the related website:

Bard begins by dispelling the lie that there was no Jewish presence in the Land. It is their lies that this book dissipates. Michael rated it it was amazing Sep 01,

The author describes the massive territorial concessions the Israelis have made. The facts you'll need are in this book. This would take place after millions of Arabs had been brought into Israel under the so-called 'right of return' i.
