See more of Seasons of Change on Facebook. The seasons of life transition naturally from one phase to another as a result of the thoughts, values, and beliefs we have consistently cultivated in our minds.

The Autumn season is a time for survival, for dealing with problems and for making choices. Is it important that you know and understand this topic? You may subsequently experience fatigue and an insufficient amount of time that may temporarily hold you back from achieving your goals and objectives.

The stories that I heard was heart-breaking but you lifted so many spirits! In a seemingly insignificant choice today could very well change the tide of the seasons as we move into tomorrow.
