John Hobson awakens in a motel room to a stopped clock, reading 6: I did end up jumping to the end to check.

CraigHarrisonwasborninLeedsin Want to Read saving... I'd be very interested in discussing the differences with people who have actually read.

However,Inevergotachancetodosoandmovedon.It isn't so much a straight sci-fi piece about the end of civilization and the disappearance of humanity, although that setting is explored satisfactorily and plays a huge part in the book. By the time I reached the end of the book, I didn't really care what caused the event that made everyone disappear.
