Givner argues that although critics balked at the Gothic excesses of de la Roche's plots and the sexually bizarre adventures of her characters--which they saw as products of the feverish imagination of an unmarried woman with little experience--her fictions were, indeed, firmly rooted in her own experience. While the lives and successes of the Whiteoaks rise and fall, there remained for them the steadiness of the family manor, known as Jalna.

The whole story line with the cousin from Ireland was amusing, with all the way. Her first book in the series was published in - in total it consists of 16 volumes and made de la Roche one of the most popular novelists. The Jalna series consists of sixteen novels that tell the story of the Canadian Whiteoak family from to although each of the novels can also be enjoyed as an independent story. The series covers years of the wealthy Whiteoak family history, and it is partly based on de la Roche's own experiences.

First time I read it loved it. Languages Polski Edit links. It's well-written and fast-paced.
